

The Newcomers Club of San Dieguito Board of Directors recommend all of our in-person Club Activities follow the CDC mask guidelines for the health of each member, their families and their friends during these COVID times. The Delta variant puts an extra burden on our safety. The CDC guidelines are changing each day. As things change in our community, we will update our recommendations. Therefore, we ask the following of our members:

For Outside Activities:

If you are fully vaccinated, no mask is required.

If you are not fully vaccinated, a mask is required.

If you feel more comfortable wearing a mask, please feel free to do so.

For Indoor Activities:

For Newcomer Activities that are graciously hosted by the homeowner and/or host like Game Night, Dining In and Canasta, everyone should be fully vaccinated.

When meeting in a restaurant for cards or mah jongg, we follow the mask recommendations from the establishment, even if you are vaccinated. This pertains to members' club houses, too.

We use ZOOM as an option for our activities
