

NEWCOMER OUTREACH COMMITTEE

Newcomers of San Dieguito's Mission Statement, "...to welcome new residents and those who have experienced recent major lifestyle changes." while allowing the club to maintain the desired membership numbers.

Current Challenges:

- Membership is approaching maximum threshold of 400 members set by the 2021-2022 board
 - Qualified applicants being placed on a waitlist for indefinite period of time until the board approves admittance
 - The waitlist period (up to a year) is when these qualified applicants are most in need of making new friends
-

Create a committee called "*Newcomer Outreach*" (or another name to be determined)

Purpose

- A Newcomer Outreach Committee to welcome qualified applicants of Newcomers of San Dieguito until space is available in Newcomers of San Dieguito Club

How it would potentially work:

- This will be another committee of Newcomers made up of no more than 12* Newcomers members who are interested in reaching out to qualified applicants on the waitlist (QAW) who are in need of making friends and learning about the area
- The committee will meet 2 - 4 times a month with QAW
 - Meetings could take place at restaurants, coffee houses, the beach, etc.

The Role of the Qualified Applicant on the Waitlist (QAW)

- Once accepted on the waitlist, they will be offered this outreach program
- Cost \$20/year application fee to cover administrative and supplies costs
- Term - 2 years*
- They will NOT have access to the website other than the public page(s)
- They may attend two *Newcomers of San Dieguito* activities
- Communications about meetings/activities will be done via email, evite, or text
- QAW may join *Newcomers of San Dieguito* as space allows

* These details will be re-evaluated every 6 months - a year
